

# Dinosaurs and Cave Men

Pastor Ron Graff  
Sunday,  
July 19, 2009

*Continuing the series on “The Wonders of Creation”*

## Introduction

Review: Six Days of Creation  
The Flood

Today – Dinosaurs and Cave Men  
July 26 – The Incredible Universe  
Aug. 2 - The Amazing Cell

Why do some people think that dinosaurs and cave men are  
contrary to the Bible’s Creation account?

**DINOSAURS WERE EVIDENTLY INCLUDED IN THE CREATION OF  
ANIMAL LIFE, AND CAVE MEN ARE DESCENDANTS OF ADAM.**

## Biblical Teaching

- **All animals Days 5 & 6      Genesis 1:20-25**
  - ✓ “All” and “every”
  
- **Behemoth      Job 40:15-24**  
(Deuteronomy 28:26; 32:24; Isaiah 18:6; Habakkuk 2:17)
  - ✓ Feeds on grass
  
  - ✓ Tail sways like a cedar
  
- **Leviathan      Job 41**  
(Isaiah 27:1; Psalm 74:14; 104:26; Job 3:8.)
  - ✓ No hope of subduing him
  
  - ✓ The mere sight of him is overpowering.
  
  - ✓ Smoke from his nostrils and fire from his mouth

## Related Issues

- **Why do evolutionists think dinosaurs became extinct millions of years (?) ago?**
  
- **What about dragons and sea-monsters?**  
**Video –**
  
- **Was Noah's Ark big enough to hold dinosaurs**
  
- **Did cave men live before or after the Flood?**

## Application

- **Q & A ?**
  
  
- **Decision(s)**

Recently we did a radio program on this subject:

Dinosaurs and the Bible

<http://www.solidgroundchurch.org/Radio/12-Dinosaurs.htm>

For more information see Ken Ham's website, and his article on the subject.
